

A+ PROGRAM

INCLUDED BENEFITS*

(See contract for specific details)

Roadside Assistance on All Plans: All plans come with a complimentary roadside assistance package. The package includes benefits such as: lockout services, flat tire assistance, fuel assistance, dead battery assistance, and towing. All services are available 24 / 7.

Rental Coverage on All Plans: Rental coverage is standard on all plans.

Nationwide Protection: All A+ plans can be used anywhere in the United States or Canada.

Fully Transferable: Transferable plans increase the resale value of your vehicle when it is time to sell it. (Fee applies)

Fully Insured: All A+ service contracts are fully backed by financially strong "A" rated insurance companies.

You Choose the Repair Facility: You have the choice of which authorized repair facility to take your vehicle for all covered repairs. If you need help locating a quality repair facility, our friendly claims department can give a recommendation.

Friendly Customer Service: Having your vehicle in for repairs can be a stressful experience. Our goal is to provide friendly customer service to each and every customer.

Peace of Mind: Put the burden of automobile repairs on the shoulders of Alpha Warranty Services. All A+ service contracts offer complete peace of mind, making your busy life a little easier to manage.

**Maximum limits apply*

WORTH THE INVESTMENT

Can you afford to be without the protection of the A+ Program?

	2012*	2013*
 Engine	\$4,374	\$4,581
 Transmission	\$3,195	\$3,433
 Drive Axle	\$1,493	\$1,560
 Power Steering	\$1,237	\$1,293
 Air Conditioning	\$1,311	\$1,376
 Electrical	\$894	\$942
 Cooling	\$559	\$587

Avoid paying these expensive repair bills. The A+ Program has a service contract that will suit your individual needs and financial situation.

for a commitment to customer satisfaction.

A+ COVERAGE

ENGINE: All Internally lubricated parts including but not limited to: balance shaft bearing, balance shaft bushing, balance shaft, cam followers, distributor drive gear, oil pump housing, rocker bushings, valve locks, valve retainers, valve seals, valve seats, cylinder barrels, eccentric shaft, camshaft and bearings, lifters, rocker arms, rocker shaft, timing gears, timing chain, pistons, piston rings and pins, connecting rods and bearings, crankshaft and main bearings, oil pump, pump gears and pickup screen, intake and exhaust valves, intake and exhaust valve springs/guides, push rods, valve springs. Dip stick tube, harmonic balancer, exhaust manifolds, engine torque strut, intake manifold, and timing belt (timing belt must be serviced according to Manufacturer's recommended specifications). The engine block, cylinder head(s), valve cover(s), timing cover and oil pan are covered only if damaged by the above internally lubricated parts.

TRANSMISSION & TRANSFER CASE: All internally lubricated parts of the manual or automatic transmission and transfer case (if 4WD/AWD surcharge is applied) including but not limited to: bushings, main shaft washers, oil pump, output shaft, drive chain gears, drive chain, shift bushing, torque converter, drum, planetaries, sun gear, shell, shafts, bearings, shift rails, bell housing, vacuum modulator, forks, synchronizers. Flywheel/flexplate, shift linkage, vacuum modulator, and transmission cooler. Any damage resulting from failures by related parts or units such as, but not limited to: cables, controls, coolers, drive axles/bearings and electronic components, levers, linkages, manual shift clutch components, radiator, rubber mounts, sensors and solenoids, shifter, viscous couplings, internal or external, to the engine and transmission are not covered. Transmission case is not covered.

DRIVE AXLE: All internally lubricated parts of the differential (front and rear) including, but not limited to: bearings, bushings, ring and pinion, and washers. Universal joints, locking hubs and rings, axle shafts, constant velocity and double offset joints, drive shaft center bearings, propeller and shafts.

AIR CONDITIONING: Compressor, compressor clutch, clutch bearing, compressor seals, receiver/drier, idler pulley, field coil, condenser, evaporator core, expansion valve, pressure cycling switch, accumulator, orifice tube, and inside ambient temperature sensor. (does not include evacuation or recharge)

COOLING: Water pump, thermostat, electric radiator fan motor and fan clutch, coolant recovery reservoir.

ELECTRICAL: Alternator, starter motor, starter motor solenoid, voltage regulator, power window motors and regulators, horn, neutral safety switch, reverse indicator switch, turn signal switch, distributor, cruise control transducer, wiper motors and washer pumps, ignition igniter, ignition module, coil packs, power seat motors, crankshaft position sensor, EVP sensor, headlamp switch, heater/AC blower motor speed switch, ignition switch, ignition switch lock cylinder, knock sensor, stop lamp switch.

FUEL SYSTEM: Electric fuel pump, fuel delivery pump, fuel injection pump, metal fuel delivery lines.

TURBO/TWIN TURBO/SUPERCHARGER: All internally lubricated parts of the Original Equipment Manufacturer (OEM) parts of the turbo/twin turbo/supercharger. The turbo/twin turbo/supercharger case is not covered.

STEERING: All internally lubricated parts of manual and power steering gear housing. Internal parts of steering gear to include: control valves, internal oil control seals, bearings and shafts control valve and cylinder, rack and pinion, power cylinder. Power steering pump, internal tilt wheel mechanism, drag links, idler arm, pitman arm, steering column shafts and couplings, tie rod ends.

SEALS & GASKETS: Intake manifold gaskets. All other seals and gaskets are covered only in conjunction with a **Covered Repair**. Minor loss of fluid or seepage, as determined by the **Administrator**, is not considered a **Mechanical Breakdown** and is not covered.

BRAKES: Master cylinder, wheel cylinders, power brake booster, ABS master cylinder, compensating valve, and disc brake calipers.

SUSPENSION: Leaf and coil springs (only if broken), spindles, stabilizer/sway bars, stabilizer/sway bar links.

A+ ENHANCED COVERAGE

SEALS & GASKETS PLUS: Seals and gaskets of covered components are covered on Vehicles with up to 125,000 miles at the time of sale. Minor loss of fluid or seepage, as determined by the **Administrator**, is not considered a **Mechanical Breakdown** and is not covered.

COOLING PLUS: Radiator, heater core, heater control valve.

FUEL SYSTEM PLUS: Fuel injectors, fuel sending unit, fuel tank.

SUSPENSION PLUS: Wheel bearings, hub assemblies, control arms, ball joints (**ball joints are covered only after sixty (60) days and 2,000 miles from the date of purchase**).
